DETAILED ACTION

1. This office action is in response to amendment dated: 9/14/2007. Based on this "Pre-Appeal Brief Conference Request, claims 1-9 are pending.

Allowable Subject Matter

2. Claim 1-9 are allowed.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach or suggest directly, or indirectly the following limitations in combinations with other limitations of the claims, as follows:

As recited by claim 1,

converting the signaling information in the switching center to at least one message which is transmitted to at least one telecommunications service server which is connected to the switching center, wherein

the at least one telecommunication service server carries out telecommunications services which correspond to the at least one message, wherein the telecommunication services are in addition to services provided by the switching center,

the at least one telecommunications service server is an Internet server, which is connected via an Internet to the switching center, and

the at least one message is transmitted via the Internet to the Internet server.

As recited by claim 6,

a controller to transmit, receive and process the signaling information and connected to a server in a switching center,

the controller having a device to convert received signaling information, which relates at least to one telecommunications service, into messages, and having an interface to connect at least one telecommunications service server to the switching center,

the at least one telecommunications service server configured for carrying out the at least one telecommunications service, wherein the at least one telecommunications service server is an Internet server, which is connected via an Internet, to the switching center and wherein the at least one telecommunication service is in addition to services provided by the switching center.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
